

ZIN YAW AUNG

Web Developer / Junior System Engineer

I have a strong interest in web development, programming, and systems analysis. I'm passionate about learning and always eager to expand my knowledge. I'm committed to putting in the effort to explore and discover new things. I'm open to challenges and ready to take on various roles to pursue my goals.

Career History

2022

- **Web Developer at Bliss-Stock.**

In the projects, my responsibilities include adding new features and pages. This involves front-end design, coding, document preparation, and testing.

2023

- **Junior System Engineer at NTT DATA .**

In the Myanmar Automated Cargo Clearance System, I provide IT Services Management, work as a System Analyst, prepare documents, perform maintenance, conduct testing, monitor the system, and report to the leader.
